

EDGEWOOD & TEXAS

# Edgewood & Texas Reconstruction Project

**Welcome!**

**Public Meeting No. 4**

**Texas Avenue Presentation**

**September 23, 2021**

**Robert Peccia & Associates – Kalispell, Montana**

# Edgewood & Texas Reconstruction Project

## □ Project Contacts

### □ City of Whitefish

- Craig Workman, PE, Public Works Director
- Karin Hilding, PE, Senior City Engineer
- Neil DeZort, PE, Assistant Public Works Director
- Jenny Emmenegger, Office Manager

### □ Robert Peccia & Associates (RPA) – Consulting Engineers

- Brandon Theis, PE, Project Manager
- Austin Pauly, EI, Engineering Designer/Construction Technician

# Edgewood & Texas Reconstruction Project

## □ Meeting Outline

- Project Schedule
- Roadway Design & Typical Section Options
  - West Path Option
  - East Path Option
- Public Input

Fall 2020

- ~~Data Gathering~~
- ~~Newsletter #1 (October 2020)~~

Fall/Winter  
2020

- ~~Project Development~~
- ~~Newsletter #2 & Public Meeting #1 (December 2020)~~

Winter/Spring  
2021

- ~~Newsletter #3 & Public Meetings #2a & #2b~~
- ~~City Council Plan Approval (Edgewood Place)~~
- ~~Finish Preliminary Engineering~~
- ~~Engineering Design – Phase 1 (Edgewood Place)~~

## PHASE 1 – Edgewood Place

Spring  
2021

- ~~Advertising & Bidding (Edgewood Place)~~
- ~~City Council Authorization to Bid (Edgewood Place)~~
- ~~Contractor Selected (Edgewood Place)~~

Summer/Fall  
2021

- ~~Public Meeting – “What to Expect During Construction”~~
- Construction of Phase 1 (Edgewood Place)
- Traffic Detours and Road Closures

## PHASE 2 – Texas Avenue

Fall  
2021

- Newsletter #7 & Public Meeting #4 (Tonight)
- City Council Plan Approval (Texas Avenue)
- Final Design – Phase 2 (Texas Avenue)

Winter/Spring  
2022

- Advertising & Bidding (Texas Avenue)
- Contractor Selected (Texas Avenue)
- Public Meeting – “What to Expect During Construction”

Summer/Fall  
2022

- Construction of Phase 2 (Texas Avenue)
- Traffic Detours and Roadway Closures

# Texas Avenue Reconstruction Project

## □ Please note:

- Texas Avenue construction is STILL planned for summer/fall of 2022.
- The Design Team will present its recommendations to the City Council in later this fall for plan approval. The current recommendations are as follows:
  - 4-way stop controlled intersection at Texas & Denver.
  - 3-way stop controlled intersection at Texas & Cedar.
  - No Texas reconstruction north of Denver.
  - Proceed with the “west path” option.

# Texas Avenue Reconstruction Project

## □ West Path Benefits (Recommended Option)

- Maximizes clearance between power poles and vehicular traffic.
- Meandering path design will utilize space beneath power lines.
- Simplifies proposed storm drainage system.
- Maximizes connectivity to existing and future local roadway sidewalks.
- Minimizes number of Texas Avenue crosswalks.
- Potential to save more trees along east side of roadway.

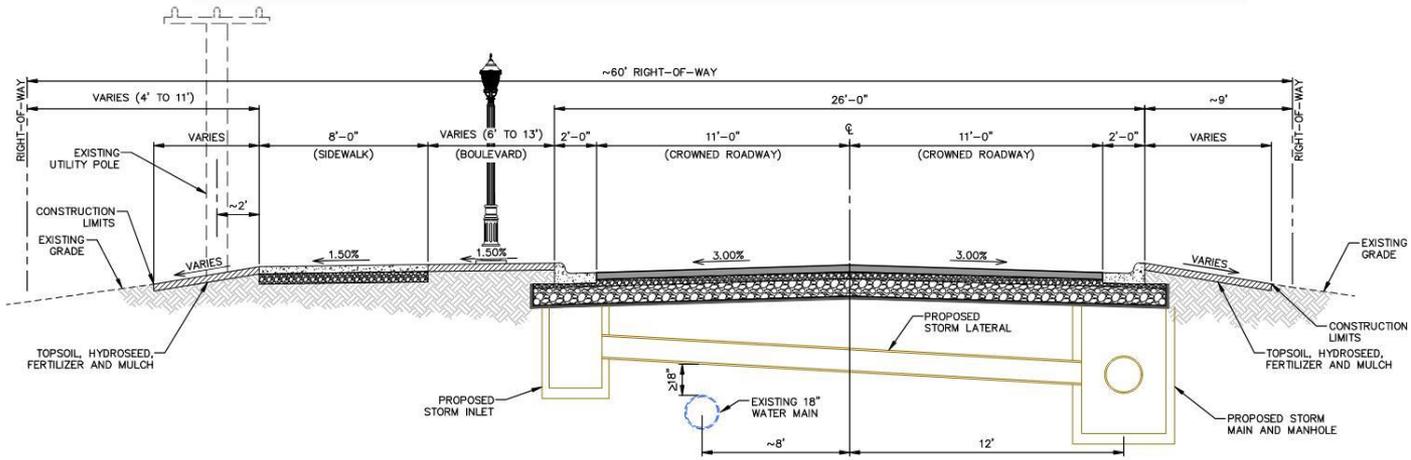

# Texas Avenue Reconstruction Project

## □ Design Features

- New Street Lighting System
  - Need street lights with new path.
- New Storm Drainage System
  - Combination of curbs, inlets and pipes.
  - Opportunity for private sump pump connections.
  - If you have a sump pump that you would like to connect, please inform the design team.
- Minimal Improvements to Existing Underground Water, Sewer and Gas Systems
  - Fire Hydrants will be upgraded
- New Boulevard Street Trees

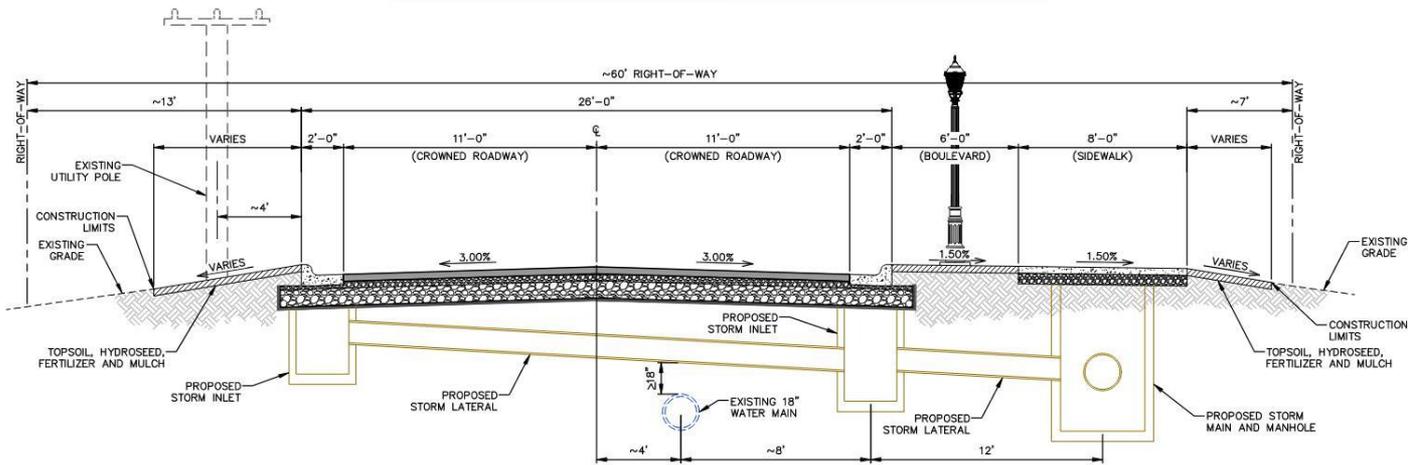

# WITH SIDEWALK ON WESTSIDE (RECOMMENDED)

**TYPICAL ROADWAY SECTION A**  
SCALE: NONE (WITH SIDEWALK ON WESTSIDE)

# WITH SIDEWALK ON EASTSIDE

**TYPICAL ROADWAY SECTION B**  
SCALE: NONE (WITH SIDEWALK ON EASTSIDE)
