

EDGEWOOD & TEXAS

PROJECT NEWSLETTER

CITY OF WHITEFISH, MT

Notice of Public Meeting No. 5 Texas Avenue Reconstruction Project

Date: Thursday, February 10th, 2022
Location: Whitefish City Hall Council Chambers
418 E 2nd Street
Time: 6:30 p.m. - 8:00 p.m.

About the Meeting: The City of Whitefish will host a public meeting to discuss street lighting design options for the Texas Avenue Reconstruction Project. Draft construction drawings for the roadway design will also be available for review. Residents and others interested in the project are encouraged to attend and learn about the project. Following the presentation, there will be an informal question and answer session.

Texas Avenue Streetlighting Questionnaire

In response to public comments regarding the recent street lighting proposal for the Texas Avenue corridor, the City Council has asked the design team to solicit additional comments on alternate lighting options. Enclosed with this newsletter is a streetlighting questionnaire that lists potential alternate lighting options. Please complete this questionnaire and return back to Brandon Theis with RPA by February 14, 2022. The goal of the questionnaire is to solicit preference and additional comments from the neighborhood residents regarding the ongoing streetlighting design topic. Hybrid options based on public comment will also be considered. All comments received will be shared with the City Council prior to their final design selection and direction.

Stay Informed:

A series of project newsletters and public meetings will be held to further discuss the issues concerning the road reconstruction project. Please check the City's website for additional information.
