Construction Update:

Texas Avenue Reconstruction Project

LHC Inc. will be resuming final construction activities on Edgewood Place and Texas Avenue on Wednesday, April 26th, 2023. Work areas will include Texas Avenue from Edgewood Place to Denver Street, and Edgewood Place from Texas Avenue to the eastern city limits.

LHC's goal is to complete the work by the end of May 2023, weather permitting. While both Edgewood Place and Texas Avenue will remain open to traffic, construction activities may result in single lane closures. In higher traffic areas, expect to see flaggers with periodic vehicular waits and/or delays.

We appreciate everyone's patience and cooperation as we wrap up this project. Please direct all questions and comments to Brandon Theis, PE, at 406-752-5025 or btheis@rpa-kal.com.
